

AUDI dealer saves € 20.000 per year changing the oil management system

By optimizing the purchase of oil by 1.000-liter tanks achieved:

- Reduce the cost of purchase and increase profits for your business.
- Remove leftover liters of the oil cans.
- Save the collection cost of oil cans.
- Greater agility and speed in every oil change.
- Give an image of quality and professionalism.
- Full control of oil supplied and correct billing management system by VELYEN.
